Dated: 7th October 2008.

To the President, Members of the Executive Board, Vision 2020,

Gentlemen,

On the occasion of the World Sight Day, to be celebrated on the 8th & 9th at H.V. Desai Eye Hospital, Pune, I have pleasure in conveying to the President & Executive Board of the Vision 2020 India, my heartfelt Greetings for the success and wish them continued sustained interest in enabling recovery of sights to several patients from their dark isolation. If they find in you the 'sunlit path finder', you do have the privilege of being called the 'Guardian of Light', of course in realty terms. You have literally been the polestar for the sight-handicapped. So many more sights needs to be restored to the waiting millions of needy and yet there may be shortfalls. However, each hand of your help brings them closer to their dreams of sun light vision. If you are the chosen few, may be you have more responsibility than the ordinary. That is why the team of the India version of Vision 2020 needs my special admiration.

On this very special Day, may I endorse my acknowledgement of your sincere and dedicated endeavors, which you and your staff & volunteers have contributed selflessly to the Cause of which I too have the privilege to be associated with.

To the success of your venture my sincere Good Wishes,

-- Sd/-
Hema Malini.
